

I. Certificate of Need Program

A. Project Modification

AL2016-022, Geneva County Health Care Authority, Inc., Geneva, AL: Proposed to acquire, relocate and operate five (5) geriatric psychiatric inpatient beds as an addition to its existing sixteen (16) bed geriatric psychiatric unit. These beds will be relocated from the now closed Chilton Medical Center.

Project Modification Request: Increase in the project cost from \$110,500 to \$232,351.13, a result of new management and new architectural firm. **Opposition: Laurel Oaks opposes any attempt to change the limiting language set out in the original CON.**

Approved.

- B. AL2017-039, Bio-Medical Applications of Alabama, Inc. d/b/a RCG Clanton, Clanton, AL:** Proposes to expand the existing twelve (12) station ESRD Dialysis Treatment Center by adding nine (9) in-center hemodialysis stations, resulting in a total of twenty-one (21) in-center stations, including one (1) isolation station. **Opposition: None.**

Approved.

- C. AL2017-040, Bio-Medical Applications of Alabama, Inc. d/b/a FMC Dialysis Services of Lakeview, Guntersville, AL:** Proposes to relocate the existing seventeen (17) station ESRD Treatment Center to a nearby location and to expand the facility through the addition of seven (7) in-center hemodialysis stations and change the trade name to Kidney Care Arab. **Opposition: None.**

Approved.

- D. AL2017-043, Deese & Maxey, P.C., Mobile, AL:** Proposes to expand the existing physical therapy services by adding speech and occupational therapy services, as well as a specialized pelvic health program. **Opposition: None.**

Approved.

- E. AL2017-044, LP Vestavia, LLC d/b/a Longleaf at Liberty Park, Vestavia Hills, AL:** Proposes to acquire and relocate thirty (30) specialty care assisted living beds, sixteen (16) from Vestavia Hills, Ltd. and fourteen (14) from Birmingham Senior Services, LLC, contingent upon the approval of this project. **Opposition: None.**

Approved.

- F. AL2018-001, Physicians Choice Dialysis of Alabama, LLC d/b/a PDI Prattville Dialysis, Prattville, AL:** Proposes to relocate and expand its existing sixteen (16) in-center hemodialysis station facility to a nearby location from the current location, and expand the facility through the addition of one (1) separately licensed isolation station for a total of seventeen (17) licensed stations. **Opposition: None.**

Approved.

II. Reviewability Determinations and Pending Reviewability Determinations

A. Reviewability Determinations

RV2017-007, Pathway Healthcare-Alabama, LLC, requests to establish and operate an addiction and substance abuse treatment center under a Physician's Office Exemption in Madison County. **Status: Reviewable**

RV2017-031, DBA Renal Healthcare, Inc. d/b/a Red Mountain Home Training Dialysis, requests to provide home health hemodialysis services to qualifying home training patients who will reside at Talladega Healthcare Center, Inc. **Status: Non-Reviewable**

RV2017-032, Home Dialysis of North Alabama, requests to increase from (1) dialysis station/training room to four (4) dialysis stations/training rooms. **Status: Non-Reviewable**

RV2017-033, Birmingham Heart Clinic, P.C., requests to construct a catheterization laboratory within the medical office to perform low-risk procedures, such as peripheral angiograph and interventions. There will not be any acute emergency cardiac interventions or any coronary angioplasty in the catheterization lab. **Status: Non-Reviewable**

RV2017-034, Troy Health & Rehabilitation Center, requests to renovate the existing facility by converting two existing patient rooms into a sitting room, which would decrease the existing bed capacity. **Status: Non-Reviewable**

Rural, Washington County Health Care Authority, Inc., requests to construct a new Emergency Department with four (4) examination rooms and one (1) trauma room as well as a new waiting area and a covered ambulance bay that will accommodate two (2) ambulances. **Status: Non-Reviewable**

B. Pending Reviewability Determinations
