October 5, 2011 by Deirdre Wheatley-Liss

Everyone knows that times are tough right now - but what you may not know are NJ state resources that might be able to help a friend or family member who is struggling at this time. [Jim Shepard, Esq.](#) kindly brought to my attention that the [New Jersey State Library](#) has created a [website](#) to assist New Jersey residents and businesses with resources to help them if they find themselves in need of assistance.

The [site](#) has links and references to the following areas:

- New Jersey Works Tools
- New Jersey Financial Tools
- New Jersey Housing Tools
- New Jersey Health Tools
- New Jersey Parental Tools
- Tools for Seniors
