Good day to all!

There has been a significant decision by the Second Circuit Court of Appeals concerning the issue of “next day” availability of funds. If you are an attorney who makes such requests, you should read this case. It may have an effect on your thinking about such future requests.

The case is Fischer & Mandell LLP v. Citibank, N.A., 632 F3d 793 (2nd Cir. 2011). You can read the decision by clicking [here](#).

On another note, our new web page will go live on April 4, 2011.

Enjoy the rest of the week!
