## Evolution of Blockchain for Investment Management Companies and Hedge Funds

Pepper partner [Gregory J. Nowak](#) was joined for a West LegalEdcenter webinar by fellow Pepper attorneys [Joseph C. Guagliardo](#), partner and chair of the firm's [Technology Practice](#), and [Todd R. Kornfeld](#) to discuss the evolution of blockchain and examine its potential uses in creating a secondary marketplace for peer to peer loans, merchant cash advance and for eliminating the bank payment processing system.

This podcast is a recording of that webinar.
