ACA reporting deadlines for applicable large employers arrive early in 2017 and affected employers won't enjoy the lengthy extensions that the IRS made available earlier this year, for 2015 reporting. [this-brief-powerpoint-presentation](#) summarizes some changes in the final 2016 Forms 1094-C and 1095-c, from last year's versions, and includes some helpful hints for accurate and timely reporting.
